## Our Clients: The Experts Sought By Experts

## Our Partners

RKON is an APN Consulting Partner with Security Competency

RKON is a Premier Partner with Security Specialization

RKON partners with HashiCorp

RKON is a member of the Cloud Security Alliance

## Why RKON

- **AWS security specialists, not generalists:** Deep, hands-on cloud security expertise.
- **Security that actually ships:** Advisory plus implementation, not just reports.
- **Compliance without the chaos:** FedRAMP, SOC 2, PCI, and more, done right from the beginning.
- **Faster, secure AWS adoption:** Reduce risk, cost, & operational drag.
